

Advanced My Projects Management **IRBNet**

Use the Search field combined with the Search By Tag menu to enable focused searching.

The screenshot shows the IRBNet interface for a user named John Researcher. The page title is 'My Projects'. A search bar is located at the top of the main content area, with a 'Search By Tag' dropdown menu to its right. Below the search bar is a table of projects. A red box highlights the search bar and the 'Search By Tag' dropdown. A red arrow points from the search bar to the 'Oncology Dept...' tag in the table. Another red box highlights the 'Oncology Dept...' tag. A red arrow points from the 'Oncology Dept...' tag to the search bar.

✓ Search example: Find all oncology department projects with Dr. Smith as the PI (Search "Smith" + "Oncology Dept" tag)¹
